

English

Texts:

- ❖ 'Floodland' by Marcus Sedgwick
- ❖ 'Wishes for our World' by Michael Morpurgo
- ❖ 'The Sea' by James Reeves
- ❖ 'The Sea' by John Foster
- ❖ 'What is the Sun' by Wes Magee

Writing genres:

- ❖ Diary in role (recount).
- ❖ Persuasive letters warning against effects of global warming.
- ❖ Innovate our own sea themed poems using similes and extended metaphors.
- ❖ Alice the Musical themed character descriptions.

In addition, we will be rehearsing for our spectacular stage production of 'Alice the Musical'!

Maths

This term we will consolidate our number knowledge and four operation skills through calculation with decimals, money, measures, and fractions. Some will have the added challenge of studying ratio and proportion. Finally, we will explore capacity, tables and graphs through experiments.

Art

A study of Monet's Water Lilies: we will learn about the life and work of Claude Monet before using his renowned artwork as inspiration for our own water lily pictures - with a twist! We will be using a different medium then comparing and contrasting our chosen method with that of Monet. Finally, we will spend time making scenery and props for our stage production,

*Water, water,
everywhere*

*Fantastic finish
KS2 performance*

Design and Technology

In our book, 'Floodland' we hear how Zoe's community survive by growing their own crops. We will create our own class allotment, learning about how to plant and care for seedlings, and try out some exciting recipes. Yum!

Geography

After refreshing our knowledge of the water cycle, we will be taking a closer look at the world's rivers, including: how they are created; how they change the landscape; and how they benefit their communities. We will be going on a local river walk to see some of our learning in action!

Science

- ❖ Properties and changes of materials - We continued our learning by completing a variety of experiments.
- ❖ 'Water cycle in a bag experiment' - children will witness the cycle in miniature in a hands on fashion!
- ❖ Food chains - combined with ICT, we will research food chains and create related animations using scientific terminology.

YEAR 6 SATS PREPARATION AND TESTS

Other

- ❖ Music - key stage 2 production of 'Alice the Musical'
- ❖ PE and RE programmes will continue throughout the term.
- ❖ ICT - Food chain scratch animations.
