

News and Homework for week beginning 21st May

This week... We have been very active as part of Active Schools Week. Each day has started with a 'Go Noodle' dance or warm-up and we have aimed to ensure each lesson has had an active element. We also held a 'walk to school' morning where staff met the children in the play park and the whole school took part in a 'walking train' up to the school gates. In English, we wrote thank you letters to Mrs James for organising our trip to the Northampton Saints Rugby ground followed by our newspaper article hot writes based on the true story of the three little pigs. The children had lots of fun sharing their ideas!

In other news... On Monday the whole school attended a trip to the Northampton Saints rugby ground where we played many games (teachers included!) and had a tour around the stadium. We learned many interesting facts (and were even able to sit in the highest seats!) however we were most intrigued to discover the differences between the home and away changing rooms. In science, we wrote up our acrostics to help us to remember the order of the planets. Finally, on Friday we had a 'Forest school' experience where we cooked bread twists on a camp fire, found colours in nature and created nature artwork using items we found around the school grounds.

Alex, for throwing himself enthusiastically into our PE trip to the Northampton Saints rugby ground. Alex tried many new games and enjoyed them all! Well done Alex!

Homework:

Please see below for homework this week. Remember to still log on and complete tasks on Mathletics, Spellodrome and Reading Eggs. Children should be reading regularly at home and have now been issued with a school reading book and reading log. Can you please complete their reading log to indicate when they have read at home. Older children (yr5 and 6) may read to themselves, then have a discussion with parents afterwards. Younger children (yr3 and 4) should read to an adult.

Spellings: Please see separate sheet for list of words to be learnt this term. Spellings to be learnt this week are [underlined in blue](#). There will be a review in class each Friday.

Maths: Please practise your 'Bonds' and 'Badges' (times tables).

Homework is to be handed in on Wednesday 6th June.

Homework is continued from last week. Please complete the homework below over the next two weeks. Homework is not due in until the first Wednesday back after half term 😊

Homework	
Bronze	Being active is good for your body and mind. Create a '10 ways to get active' poster to encourage a key stage 1 child to become more active.
Silver	Research how being active can help children to stay healthy, focused and increase positivity. Produce a poster to show what you have found out.
Gold	Research how being active can help children to stay healthy, focused and increase positivity. Use your research to create your own playground game and teach a friend. Take some photos of you playing your game and write a brief explanation.

Pupil Feedback	Parent Feedback	Teacher Feedback
	How much support did your child need? None <input type="checkbox"/> A little <input type="checkbox"/> Lots <input type="checkbox"/> Comment:
