

News and Homework for week beginning 14th May

This week... SATS and Space

The children have coped remarkable well with a very 'different' week. We have been hosting the Owls in the mornings while the year six children took part in their Special Agent Training Tasks! We have worked together as a team! Looking at the video 'Treasure' and creating descriptive writing and riddles from objects found in the Curiosity Shop. The Owls have also designed, made and played board games with the younger children; working on team work skills. It was great to be part of. We have also worked hard at being super quiet, which really isn't easy. Nevertheless we achieved it all and enjoyed the celebrations on Friday by wearing our pyjamas to school and making pizza and pancakes!

In other news... We used our space homework to talk about interesting facts and found out a bit more about the British Astronaut Tim Peake by watching some of his videos he made in space. We made great splat painting like Jackson Pollock too and learnt how to make shades and we also had fun with the parachute making popcorn!

Star of the week... Special Agent Training Certificates: for doing their best and becoming qualified KS1 SAT agents.

Maths Additional: See below

Homework is to be handed in on Wednesday 23rd May.

Phonics: EYFS: ai sounds Y1 u sounds Y2 prefix un and dis **Spellings:** KS1 **Week 5** (Summer Term 1)

	Maths	Homework
Bronze EYFS	Telling o'clock	Maths Workout page 34 and 35, 36
