

# News and Homework for week beginning 18th June

## This week... Military

**In Maths...** we have been revisiting place value and ways to represent numbers this week. Solving a range of problems through games. We have revised greater than and less than signs. Every day we practice our quick recall of number bonds and multiplication sentences, we are getting quicker!

**In English...** We completed some research on Naval vessels this week, and drafted and wrote a thank you letter to the Sywell Aviation Museum. We are working hard on developing extended writing.

**In other news...** In music we are working on rhythm and following beats, we are using a range of instruments to help us. On Tuesday we had an Art Day and looked at the painting 'Bathers at Asnieres, by George Pierre Seurat. We found out about the artist and his style of painting, we discussed what the people in the painting may be saying and wrote captions and finally we used pointillism to make paintings. In PE this week we had a go at tri golf, lots of fun with Mrs James.
