

School Council

The School Council is a democratically elected committee of pupils from Years 3, 4, 5 & 6. We meet every other week with Mrs Bolton. We listen to pupil's views about the school and take into account their suggestions on how to improve the school and how to raise money for charity. We also help plan fun events such as cake bakes and Enrichment Days.

Some examples of things we have done are:

- Be involved in designing the Den Making Area.
- Raising money for our link school at Kodai Kanal in India (www.childrenunited.co.uk).
- Organising Harvest Lunch for friends of the school.
- Raising money through cake bakes to look after our guinea pigs.
- Collecting food at Harvest to support The Hope Centre.
- Donating money to buy a "Goat like Beatrice".
- Raising funds to support the refurbishment of the village war memorial.
- Fundraising for supplies such as First Aid and school resources for our link school in Uganda.
