

## School Council and Eco Council

The School Council is a democratically elected committee of pupils from Years 3, 4, 5 & 6. We meet every other week with Mr Newton. We listen to pupil's views about the school and take into account their suggestions on how to improve the school and how to raise money to support charities.

At Christmas we held a Christmas Bazaar and raised over £100. Previously we have raised money to support our Link School at Kodai Kanal in India ([www.childrenunited.co.uk](http://www.childrenunited.co.uk)).
