

## School House System

We operate a House System whereby each child is allocated to one of the 4 houses when they start at Great Creaton Primary School. Siblings are allocated to different houses.

The houses are:	Holdenby	Blue
	Lampton	Red
	Cottesbrooke	Green
	Kelmarsh	Yellow.

Children are awarded DoJo Points for good effort, a super piece of work, exemplary behaviour, perseverance or for going above and beyond and thus making a significant contribution to school life. At the end of each half-term the DoJo points are counted and the winning House receives the House Cup at the end of each term in the Celebration Assembly.

The names of the houses are all stately homes from the local area, chosen as a result of a competition with suggestions from the children.
