Dear Parents and Carers,

I wanted to write personally to thank you for your tremendous support during the recent inspection and in particular for the time you took to complete the parent view questionnaire.

The inspector was astonished by the number of parent responses. Your overwhelmingly positive comments via text and letter had a significant impact on the inspector's perspective of the school and your children told her how proud and happy they are to be pupils at Great Creaton.

I have no doubt that your support for the school will be reflected in the report. As soon as we receive it we will distribute it to you. Thank you.

Yours sincerely,

A handwritten signature in cursive script that reads "Emma Mercer".
