Special Needs Provision

Great Creaton Primary School is an inclusive school and as such we believe that the best provision for children who have additional needs is quality first teaching. However, should a child need a more focused intervention then we support progress in their learning with provision which is additional to or different from that which is found in most lessons.

The school has a dedicated and skilled team of teachers and classroom support staff who work with children on a range of intervention strategies. Where necessary we access support from outside agencies such as Educational Psychology or Behaviour Support.

Should you have any queries about our provision for Special Educational Needs please do not hesitate to contact the school's Inclusion Manager and SENCo, Mrs Cara Bolton.

Mrs. Emma Mercer

Executive Headteacher
