- ❖ Exploring gymnastics course for staff: **£50**

Total Expenditure: £8355 (+ £593 from 2014-2015)

Impact of PE and Sports Grant

The PE and Sports funding has contributed to the provision of high quality PE at Great Creaton School with a wide range of PE experiences being offered. Staff have been upskilled in the delivery of PE lessons, the quality of which has been improved. The lunch-time activity club has improved pupils' engagement in structured physical activity. The new playground markings and "football pitch" have increased pupils' levels of physical activity. The whole school sports day was met with enthusiasm and pupils are now keen to participate in local cluster sporting events. This enthusiasm has also had an impact on levels of self-confidence and self-esteem for all pupils, which contributes, in turn, to improving levels of achievement across the curriculum.
