Year 5/6 Mixed Football Competition

For this competition we entered 2 mixed teams of 8 children from Clipston and Creaton. The children played a total of 5 matches each. They all played well and had a great time, finishing in 4th and 11th position out of 12 teams. The children all displayed good behaviour and good sportsmanship.

Thank you to Josh Hampton-Riddington, Josh Wakefield and Malcolm Northover for coaching the children over the last 4 weeks at our Afterschool Football Club.

Year 5/6 Daventry Festival of Tag Rugby

We took one mixed team of 10 children from Clipston and Creaton to this competition. The children displayed fantastic teamwork (especially as they have never played Tag Rugby together before). We played 7 matches, and won all of them. Due to their excellent performance and winning this competition, we will be attending the School Games Development Level 2 Finals in February.

Thank you to Alan Davies and Tom Seymore for assisting me in running this club and for Malcolm Northover and Olivia Hampton-Riddington for helping on the day of the Competition.
