- ❖ Additional resources and training: **£ 1,479**

Total Expenditure: £8250

Impact of PE and Sports Grant

The PE and Sports funding has contributed to the provision of high quality PE and sport at Great Creaton School, delivered by existing staff. Pupils' levels of physical activity have increased. Pupils have been keen to participate in Cluster sporting events, in the small schools football league and the local Netball Tournament. This enthusiasm has also had an impact on levels of self-confidence and self-esteem for all pupils, which contributes, in turn, to improving levels of achievement across the curriculum.
